Instant Piano for Hopelessly Busy People

Instructor: Frank Dunne

Music teachers may not want you to know this, but you don't need years of weekly lessons to learn piano. In just three hours, you can learn enough secrets of the trade to give years of musical enjoyment. The difference is, regular piano teachers teach note reading, while piano playing professionals use chords. In one session you will learn all the chords you need to play any song, any style, any key. You'll learn how to play several songs in class, and then perfect your technique at home using an exclusive CD specially designed by the instructor. It's easy, fun and musically correct! If you can find middle C and know the meaning of "Every Good Boy Does Fine", you already know enough to enroll in this workshop. If not, send an addressed, stamped envelope for a free pamphlet to: Frank Dunne, 56 Endicott Street, Quincy, MA 02169. Then you can register with confidence. After this one session you can go home and play any song from any piece of sheet music or songbook.
